

Modelling Public Transport in VISUM Advanced Training

We are pleased to invite you to the first Training Session on Modelling Public Transport in VISUM to be held in Dubai on the 27th and 28th of July 2009.

All experienced PTV Vision users, transportation engineers, planners, consultants, academic researchers and all those who are directly involved in planning, design and operation for public transport are invited to attend this advance training course .

VISUM Public Transport Training in Dubai-Agenda

- Overview of four stage model
- Setting up of public transport networks
- Structure of stops
- Structure of lines / routes
- Timetable
- Calendar
- Assignment procedures
- Blocking and line costing
- Graphical network evaluations
- Public transport travel demand modelling

Participants need to bring their own laptops (basic specifications: Microsoft Windows 2000 or XP, 600MB hard disk and 1GB RAM and speed minimum 2GHz), though no VISUM / VISSIM license is required.

Registration

Please simply fill out the attached form and e-mail to: training@ptvme.ae or fax; +971 4 5015881

Registration Fee, Payment and Cancellation Policy

Training Course	Date	Course Duration	Registration Fee
Modelling Public Transport in VISUM - Advance Training	27-28 July 2009	2 days	AED 5,950

The fee for the training courses includes attendance, lunch, refreshment breaks and documentations. Participants have to make their own travel and accommodation arrangements in Dubai. Once you have registered, you will receive an invoice by email. **Your registration is only confirmed after the invoice is paid in full.**

If a participant wishes to cancel the attendance 20 or more calendar days before the training, he/she will be charged 50% of the training course fee along with corresponding bank charges. No refund will be honored if the cancellations are made less than 20 days prior to the commencement of the training. Alternatively, a substitute participant can be provided.
