

PTV Vision Training Courses in Dubai

We are happy to announce the PTV Vision Training Courses in Dubai from 11th to 14th of May 2009.

All PTV Vision users and those who are interested in PTV Vision applications are invited to attend this informative and important event. Our PTV Vision trainers will deal with work-related topics while showing you how to use the software more productively.

The Training Classes include two days of VISUM comprehensive training on the 11th and 12th of May 2009 and two days of VISSIM comprehensive training on the 13th and 14th of May 2009. Participation in the VISUM classes or VISSIM classes or both is possible. As available spaces are limited, we encourage early registration.

Who Should Attend

- All PTV Vision users, new or experienced
- Transportation planners and consultants
- Academics and researchers

PTV Vision Software Training

Indicative topics for the training are:

VISUM Comprehensive Training (11th and 12th of May 2009):

- Files and Graphic User Interface
- Understanding the Network Model
- Import Network Data (EMME to VISUM and CUBE to VISUM)
- Working with GIS Data
- Basic Network Editing
- Network Data Management
- Working with Graphic Parameters
- Path Search and PrT Skim Matrices
- PrT Assignment
- Volume-Delay Function
- Post Assignment Analysis
- Matrix Processing in VISUM
- Scripting with the COM Interface
- Four Stage Modeling
- Sub Area Analysis
- Matrix Calibration with TFlowFuzzy
- Intersection Geometry, Timing and Analysis
- VISUM-VISSIM Integration
- PuT Network Objects and Supply
- PuT Assignment Methods

VISSIM Comprehensive Training (13th and 14th of May 2009):

- Graphical User Interface
- Background Files
- Developing the Model Network
- Junction Yield and Stop Controls
- Traffic Base Data and Volumes
- Traffic Speeds and Routes
- Traffic Signals
- Bus Stops and Transit Routes
- Simulation Parameters
- Driving Behaviour
- Dynamic Assignment
- Reporting Outputs
- Model Calibration
- Simulation Recordings
- Introduction to VAP & VISVAP
- Introduction to COM Interface

Participants will need to bring their own laptops (basic specifications: Microsoft Windows 2000 or XP, 600MB hard disk and 1GB RAM and speed minimum 2GHz), though no VISUM / VISSIM license is required.

Registration

Please simply fill out the attached form and e-mail to: maria.sanjose@ptvme.ae / training@ptvme.ae or you may also fax the completed form to: PTV Dubai Branch at +971 4 5015881.

Registration Fee, Payment and Cancellation Policy

The registration fee for the respective courses is as listed below:

Training Course	Dates	Course Duration	Early Bird Fee (Until 30th of April 2009)	Normal Registration Fee
VISUM Comprehensive Training	11-12 May 2009	2 days	AED 4,000	AED 5,000
VISSIM Comprehensive Training	13-14 May 2009	2 days	AED 4,000	AED 5,000
VISUM & VISSIM Comprehensive Training	11-14 May 2009	4 days	AED 7,000	AED 9,000

The fee for the training courses includes attendance, lunch, refreshment breaks and documentations. Participants have to make their own travel and accommodation arrangements in Dubai. Once you have registered, you will receive an invoice by email. **Your registration is only confirmed after the invoice is paid in full.**

Minimum number of participants: PTV Dubai agrees to hold the training courses announced with a minimum of 5 participants for each course. PTV Dubai has the right to cancel the training session in part or all together 7 days prior to the training course starting date.

Right of cancellation: If a participant wishes to cancel the training course 20 or more days prior to the training start date, the administration fee of AED 1,000 will be deducted from the refund. If a participant cancels the attendance 10 to 19 days before the training course starting date, he/she will be charged 50% of the training course fee. If a cancellation is made 9 days before the training start date or not at all, the full fee will be charged. Alternatively, a substitute participant can be provided.

Venue Information

The Training Courses will take place in:
 Lecture Room
 C-Wing, 9th Floor
 Dubai Silicon Oasis Authority
 Emirates Road, Dubai
 United Arab Emirates
